'Continental' Doll Featured in Lyke

The Semi-Centennial Edition of Lyke, which went on sale this morning at campus stands, has within its pages a "Lykeable Doll" with a continental air.

Jan Kerrigan, a honey-blond freshman from San Rafael, is presented as the Spartan answer

to Gina Lollabrigida. Jan, visited Italy and other European countries during a two-month tour last summer. She was submitted as a contestant for the honor by Di Bari House, according to Editor Barbara Noble.

Seventeen years old and 5 feet 4 1/2 inches tall, Jan registers 34-25-36 on the tape measure for the benefit of statistical observers.

"Lyke Lovelies" are Nancy Atwell, Lynwood Hall, Rosemary Ferri, Colonial Hall, and Carol Lovely, House of Earl.

Dr. Mary Wiley, associate professor of recreation and education, is honored as "Lykeable Prof." Lyke staffer Betty Stirling tells of many unique experiences of the widely-traveled professor.

Lyke is being sold at booths in the Industrial Arts gateway, between the Women's Gym and the Art Building, on the Library patio, near the Police School and between the Engineering and Psychology Buildings. Price of the magazine is 25 cents.

Following its Semi-Centennial theme, Lyke's format includes pictures of the Sparta of 1906 and similarly dated advertisements that show what was high style to the Spartan of the era.

In a feature titled "Those Were the Days," Mrs. Bess Williams Dolan, a 1902 graduate selected as the "Theme Girl" for the Semi-Centennial Issue, recalls what Sparta was like in the days of lace corsets and mustache cups.

Among other Lyke selections are the graphic satires of cartoonist Perry Huffman who pokes

LYKEABLE DOLL—Jan Kerrigan adorns the pages of the Semi-Centennial Edition of Lyke, campus feature magazine which went on sale this morning at 7 o'clock. A San Rafael freshman, Jan is a kindergarten-primary major who enjoys skiing, swimming and tennis. Copies of the magazine now are available at campus stands.

District Chief Arranges Visit Of ROTC Unit

San Jose State's Army ROTC unit will be visited by Maj. Gen. Frank N. Roberts tomorrow morning between 9:30 and 11:30 o'clock, according to Maj. Edgar B. Colladay, assistant professor of military science.

This is General Roberts' first visit to SJS. He recently was appointed Chief of the U.S. Army Military District, California, and is on tour of ROTC installations on college campuses throughout the state.

General Roberts will meet with President John T. Wahlquist's representative as well as with Col. John E. Rogers, ROTC commander.

No Rally Meeting

There will be no meeting of the Rally Committee tonight, according to Gary Waller, chairman. Regular meetings of the group will not be resumed until next semester, he said.

Frat Question On Agenda At IFC Confab

Meeting at 7 o'clock tonight at the Alpha Tau Omega house, the Interfraternity Council faces one of its busiest schedules because riding on the outcome of the meeting is the success or defeat of the fraternity expansion movement.

San Jose State's 14 social fraternities also must elect spring semester officers. Two fraternities will not be able to hold offices this semester, the IFC ruled last week, because they have held key positions in the Council for the last four years. The two houses are Alpha Tau Omega and Kappa Alpha.

The IFC also will consider a report by the Social Chairmen Committee, a group composed of fraternities and sororities to evaluate Greek social events.

Discussion is expected to continue on the IFC decision to award the Warren Bishop Trophy, given each year to the fraternity which does best athletically, at the Spring Sing instead of at the traditional awards banquet.

UNITED PRESS ROUNDUP

President Proposes Biggest U.S. Budget

WASHINGTON—President Eisenhower proposed to Congress Tuesday the biggest U.S. spending budget in peacetime history—\$71.8 billion.

He ruled out a general tax cut and asked for higher postal rates.

His new budget for fiscal 1958 was in the black for the third straight year. The surplus of revenues over spending was estimated at \$1.8 billion for the new year starting next July 1.

But to help check inflation, Mr. Eisenhower said, the surplus must be used further to reduce the federal debt which now stands at \$275.7 billion.

TEXAS DEMOCRAT NAMED

AUSTIN—Gov. Allan Shivers of Texas, as his last official act, Tuesday appointed Dallas Attorney William A. Blakley, a "Loyal Democrat" though an Eisenhower partisan, to the U.S.

Senate succeeding Governor-Elect Price Daniel.

Senate Democratic Leader Lyndon Johnson (D-Tex.) announced from Washington Blakley will vote with the Democrats, thus continuing the 49-47 Democratic control of the Senate.

But Blakley, at Dallas, refused to say whether he will vote Democratic or Republican as interim Senator from Texas.

ARMY ORDER BLASTED

SAN FRANCISCO—An Army order requiring National Guardsmen to serve six months active duty would "seriously cripple" the California National Guard, according to Maj. Gen. Earle M. Jones, Adjutant General of the state force.

"Recruiting is difficult enough now," the general said. "When we have to tell young men they will have to spend six months on active duty, it's going to be even more difficult."

Camp Reaches Student Limit; 142 Register

The 142 student limit for this year's Spartacamp was reached today, according to Bud Fisher, publicity chairman. All campers and alternates' places have been taken. Those students who are registered for the camp and have paid the deposit of \$5 are reminded that the remainder of the \$10 cost is due by Feb. 15 in the Student Business Office, Room 16.

Faculty consultants for Spartacamp are Buford Bush, Dr. Janice Carkins, Dr. Robert B. Cragin, Louis T. Fischl, Frances Gulland, Dr. G. A. McCallum, Karl J. Mueller, Caryl Neal, Leta Walter, Lyle Edmison, John Meryman, and Lola Eriksen.

Student counselors are Vivian Andres, Dick Arington, Liz Bell, Clayton Bruntz, Nancy Burke, Tom Burns, Alicia Cardona, Bruce Carter, Joan Ereno, Bob Foy, Lavonne Gomes, Nan Godard, Brent Heisinger, Alice Kunz, Jim Laey, Jerry McCarthy, Joan Oeser, Chuck Rigdon, Dick Robinson, Mickey Simonet, Sandy Singer, Nada Stepanovich, Al Stubbs, Bill Sturgeon, Sandy Trainer, Al Walburg, and Jan Warden.

Five instructional sessions will be held for the student counselors. The first will be tomorrow at the Sigma Kappa house.

Club Meeting Told

Occupational Therapy Club will meet tonight at 7 o'clock in Room 17.

Guest speaker will be Lillian Wegg, O.T.R., director of Occupational Therapy at the May T. Morrison Center for Rehabilitation. Topic for her talk will be vocational testing of orthopedic patients.

Campus additions of six and a half blocks of land and five new buildings comprise the \$9,309,800 capital outlay budget outlined for San Jose State College in Gov. Goodwin J. Knight's proposed 1957-58 state budget presented to the Legislature Monday.

Included in the budget are a \$2,595,300 Industrial Arts Building on the west side of Ninth street behind the present Engineering Building; \$1,816,000 Art Building behind the Music Building between Eighth and Ninth streets; \$971,300 Health Building in the present parking area at the northwest corner of Ninth and San Carlos streets; \$650,000 Student Activities Building on what is now San Antonio street near Ninth street; a \$409,300 Faculty Office Building between the Men's and Women's Gyms, near the Education Wing.

Two and a half million dollars of the capital outlay budget is for new campus land on the south

Non-Residents Should Check Tuition Status

Students who were classified as non-residents of the State of California, but who now believe they will be entitled to reclassification for the Spring Semester, may apply for classification as a bona-fide resident by submitting a new statement of residence. These forms are available in the Admissions Office.

Applications should be made only if the student believes he will have been a legal resident of California for one full year immediately preceding registration for the Spring Semester. The status of students who are in the United States on a student visa will not be changed.

The request for reclassification is the responsibility of the student and should be taken care of by Jan. 18. No reclassification will be made on registration days. Non-resident students will be required to pay tuition fees at that time.

Council To Meet

The Student Council will meet today at 2:15 p.m. in the Student Union. A regular business meeting is planned.

Weatherman: Rain Again

Return of scattered rains appears likely for today, as the weatherman, seeing how easy it was over the weekend, expects to repeat his drought-breaking performance. Not much temperature change is expected, with today's high around 60.

'Y' Will Hold Membership Drive Tonight

The first general membership drive of the year will be held by the Student Y this evening at 7:30 o'clock at the Student Y, 209 S. 9th St.

Reports from persons who attended the Asilomar conference will be heard at the meeting. The Regional Council at Asilomar discussed questions such as, who should be a "Y" member and what should be the purpose of the local Student Y.

Plans for next semester's activities, including an open house, membership drive, commission groups, a campus survey of student interests and concerns, also will be presented and discussed at this evening's meeting.

Welvin Stroud, "Y" president, is hoping for a large turnout.

Students Get Teaching Jobs

Students who expect to enroll in Education 145 (Supervised Student Teaching) for the spring semester are required to attend a meeting tomorrow at 3:30 p.m. in Room 55, according to Dr. Gervais W. Ford, Secondary Education Department head.

At this meeting, Dr. Ford said, student teachers will be given their assignments in student teaching for the coming semester. Important announcements, he added, will be made regarding the student teaching assignment.

He said students who find it impossible to attend should contact him prior to the meeting.

Group 4 Shots To Be Given

Second polio vaccinations will be given tomorrow to Group 4, persons with receipts up to 1000, in the Health Office from 2 to 4 p.m.

Dr. Thomas J. Gray, health officer, disclosed that a limited registration will be held in the Student Affairs Office Jan. 21 and 22 to bring a second group of signups for the two vaccinations up to an even 1000. There are now 798 in this second group of 1000 persons.

Dinner-Dance Tickets Ready

Tickets to the February graduates' Dinner-Dance must be picked up in Room 16 by Wednesday, Jan. 23, according to Tom Bonnett, Senior Class president. The Dinner-Dance will be on Thursday evening, Jan. 31, at 7 o'clock, at Mariani's, 2490 El Camino Real. A chicken dinner is on the menu.

February grads who wish to purchase escort bids may do so by bringing their activity fee receipts to Room 16. The cost of the escort bid is \$3.25.

his pen at a number of "painless" courses offered to the unsuspecting.

Featured fiction of the edition is a student-written short story titled, "Oh, Adelbert!", which draws a tongue-in-cheek comparison between Spartan courting procedures now and at the turn of the Century. The story was written by "Perry Whikle."

"Here's the Real Scoop!" a thinly-disguised parody on the antics of two Spartan journalists, traces the humorous predicament of sportswriters "Evin' Rick O'Conner and Sal Amador," boy wonder of the "Spartan Daily."

"Now and Then" by Pat Penick, class winner in the novice boxing tournament, places the basketball teams of 1957 and 1906 side by side for the inspection of the reader.

Also contained is a feature on student fest "boo-boos," the traditional pilfered pics, coverage of Spartan Centennial fashions, and a sports "scoop" on George Matto, former SJS track star who has participated twice in the Olympic games.

RED "RED TAPE" HEROES—Although the three comic leads in "Red Tape," the 1957 edition of Revelries, are Russian Communist spies they do such a humorous job that the audience finds itself hoping for the best for the "comic villains." The trio are, left to right, Bob Gordon, Don West, and Jim Dunn. The trio stole the show on opening night with their tremendous performance. "Red Tape" reopens tomorrow night at 8:15 o'clock in Morris Bailey Auditorium, and will run Friday and Saturday nights. Tickets are on sale in the Student Affairs Office, or at the auditorium the night of the performance. General admission price is \$1, and 75 cents for students.

BUDGET INCREASES
The governor's operational support of the budget for San Jose State College totals \$6,852,220 or a 23.5 increase over the figure for the current fiscal year. This year's budget support included \$5,547,997.

San Jose State tops all state colleges with its six million-plus operational support program. Cal Poly follows with a proposed \$4,931,387.

Operation budget proposals for all state colleges total \$40,354,827 for the 1957-58 proposed budget. This is an increase of 18.4 percent over this year's \$34,075,473 allocated.

ENROLLMENT UP
Gov. Knight's operational support budget earmarked for SJS is based on a full-time equivalent enrollment of 9,900 for 1957-58. This year's FTE totaled 9,050 with total figures, both full and part-time students, climbing near 11,000.

In comparison with last year's cost of \$613, the average cost of educating a student at San Jose State next year will jump to \$692.

Long Beach State College at \$619 per student and Fresno State College division of agriculture at \$2020 are the low and high figures for state college's in the governor's 1957-58 estimates.

Grad Fee Due
Seniors who plan to graduate in June should pay their activity fees as soon as possible, according to Dr. Rocco G. Pisano, Senior Class adviser.

Lodge Submits Disarmament Program to U.N. Committee

United Nations. — (UP) — The United States proposed to the United Nations yesterday that future production of nuclear materials be stockpiled only for peaceful purposes and under international supervision.

U.S. Ambassador Henry Cabot Lodge Jr. in a five-point disarmament program put before the General Assembly's main political committee, said such an international agreement would make it possible "in a secure manner, to

limit, and ultimately to eliminate, all nuclear test explosions."

Soviet Deputy Foreign Minister Vasily V. Kuznetsov, submitting two resolutions, promptly proposed an immediate halt on tests of nuclear weapons and moved to convene a special general assembly session on disarmament at an unspecified date.

Kuznetsov launched his review of the Kremlin's disarmament position which brought no new proposals with an attack on the Eisenhower Doctrine for U.S. armed intervention in the Middle East, if necessary.

Lodge summarized these five objectives for the U.S. arms reduction plan:

"1. To reverse the trend toward larger stockpiles of nuclear weapons and to reduce the future nuclear threat.

"2. To provide against great surprise attack and thus reduce the danger of major war.

"3. To lessen the burden of armaments and to make possible improved standards of living.

"4. To insure that research and development activities concerning the propulsion of objects through outer space is devoted exclusively to scientific and peaceful purposes.

"5. To ease tensions and to facilitate settlement of difficult political issues."

President May Get Allowance

Proposed legislation to give an annual allowance of \$3000 each to state college presidents whose homes are not furnished by the state has been endorsed by the San Jose State College Advisory Board, the Council of State College Presidents and the State Board of Education.

Such an allowance, President John T. Wahlquist has stated, would be a contingency fund which might be used for public relations and other purposes, if the college president owns and wishes to maintain his own home.

Wahlquist hopes something will be done "to allow the president of SJS to fulfill the social and public relations obligations of his office as is customary in other institutions across the country." Wahlquist said it would be one of his aims to entertain student, faculty and community groups.

The move for the annual allowance was initiated by the SJS Advisory Board and taken up by the two state bodies. Wahlquist said a previous survey into housing for presidents of other colleges brought a suggestion from the local board that SJS buy a home for Wahlquist. However, he said he felt it was the state's responsibility as it now provides homes for a number of state college presidents.

Colleges where the state now provides residences are Chico, Humboldt, Fresno and California Polytechnic. Those without are San Jose, San Francisco, San Diego, Los Angeles, Long Beach and Sacramento.

Wahlquist pointed out that all presidents of state colleges get the same salary, but those in small schools also get their home provided.

At the present time Wahlquist owns and maintains his own home off campus.

Spears Plan Aid to Students At Registration

Spartan Spears, sophomore women's honorary organization, again are offering their time to assist students in whatever way possible during registration.

Members of Spears will be on hand to give information concerning registration to both new and old students. Cakes, coffee and doughnuts also will be sold during registration by the Spears.

Money made by the sales will be spent on some worthwhile project for the school. Last year, a water fountain was purchased by Spears from the money made.

Other activities of the Spears include weekly trips to Agnew to entertain patients, serving at luncheons and dinners and assisting the Tuberculosis Association. A recent service by the Spears was serving as hostesses for the Engineering Department Open House.

New members recently initiated into the Spears are Mickey Simonet, Jeanne McHenry and Donna Scheiber. The girls are selected for membership on the basis of outstanding leadership, scholarship and character.

County Orchestra Arranges Concert; Famed Violinist To Be Guest Soloist

The Santa Clara County Philharmonic Orchestra will present its second concert of the season Friday evening at 8:15 o'clock in the University of Santa Clara Auditorium.

Josef Szegedi, renowned violinist, will be guest soloist with the group. He will play "Concerto for Violin" by Ludwig von Beethoven.

Under the direction of Edward Azderian, the orchestra will perform "Pavane for a Dead Princess" by Maurice Ravel; "La Procession du Roi" by Joaquin Turina; and Mozart's "Lentz Symphony."

Eta Mu Pi Meets

Eta Mu Pi, national honorary business fraternity, will hold its dinner meeting tomorrow at Havenly Foods beginning at 6:15 p.m., according to Shelley Detrick, group president.

Guest speaker Harvey White, a stock broker for Sutor and Co., will discuss stocks and bonds in relation to the average investor. Following the meeting, White will allow the group to tour his San Jose office.

Spartan Shop Notes, Cards Now Available

Announcements of graduation and personal name cards now can be purchased at the Spartan Book Store, announced Harry Wineroth, store manager. Name cards should be ordered early to insure prompt delivery, he said.

Caps and gowns will be available to seniors on Jan. 21 and thereafter. Students will be able to pick up the clothing at the time of measurement and fitting. The caps and gowns have been purchased by the college, thus maximum service is available, Wineroth explained.

I.R. Club To Hold Business Meeting, Elect New Officers

The Industrial Relations Club will elect new officers at a combination business and "get acquainted" meeting to be held Thursday at 2:30 p.m. in Room 10 of the "Club" at 3rd and San Fernando Streets, according to publicity chairman Bob Yother.

The entire I.R. faculty will be on hand to discuss the industrial relations field and answer questions. All I.R. majors and minors are asked to attend.

Business matters will include reorganizing the club and discussing next semester's agenda of events, which include social events, field trips and guest speakers.

Say Hey, Greeks! Lost Any Jewels?

Five pieces of jewelry were found Saturday after the Inter-Fraternity Dance. They may be identified and claimed in the Activities Office, Room 114, according to Miss Helen Dimmick, associate dean of students.

The articles include a tie clasp, rhinestone bracelet, two earrings (not mates) and an identification bracelet.

Teachers Needed

Representatives of the Los Angeles City School System will be on campus tomorrow to interview teaching candidates regarding mid-year openings. Reservations may be made in Room 100 of the Administration Building.

POSTER GIRL—Launching a program of nationwide coffee parties during January, Marlene Olsen, 4, polio poster girl from Burlington, Mass., calls on Mrs. Richard M. Nixon, wife of the Vice President, in the nation's capital. (International)

Religious Council To Arrange Lent Speeches For Groups

College Religious Council voted to make speakers available to various college living groups during Lent in a breakfast meeting held Sunday at the Student Y.

Arrangement for the speakers will be made by the Religion-in-Life Week committee. Speakers to be available for the living groups during that time will be announced later, according to Lynne Burton, publicity chairman. Other action discussed by the Council was to obtain a booth with the Student Christian Council

on registration days to inform incoming students of the various religious groups on campus.

The Council also voted to pay one half of expenses to send a representative of CRC to Spartacamp.

John T. Wahlquist To Recruit in East

President John T. Wahlquist will visit the campuses of 14 major universities in the east when he leaves Feb. 2 on a six-week teacher recruitment trip.

Wahlquist intends to visit the universities of Minnesota, Michigan, Michigan State, Ohio State, Purdue, Indiana, Illinois, Columbia, New York, Cornell, Ithaca, Maryland, George Washington and Pennsylvania.

As a result of his trip, Wahlquist said he expects to employ 100 new faculty members.

District Chief Arranges Visit Of ROTC Unit

San Jose State's Army ROTC unit will be visited by Maj. Gen. Frank N. Roberts tomorrow morning between 9:30 and 11:30 o'clock, according to Maj. Edgar B. Colladay, assistant professor of military science.

This is General Roberts' first visit to SJS. He recently was appointed Chief of the U.S. Army Military District, California, and is on tour of ROTC installations on college campuses throughout the state.

General Roberts will meet with President John T. Wahlquist's representative as well as with Col. John E. Rogers, ROTC commander.

Frat Question On Agenda At IFC Confab

Meeting at 7 o'clock tonight at the Alpha Tau Omega house, the Interfraternity Council faces one of its busiest schedules because of riding on the outcome of the meeting is the success or defeat of the fraternity expansion movement.

San Jose State's 14 social fraternities also must elect spring semester officers. Two fraternities will not be able to hold offices this semester, the IFC ruled last week, because they have held key positions in the Council for the last four years. The two houses are Alpha Tau Omega and Kappa Alpha.

The IFC also will consider a report by the Social Chairmen Committee, a group composed of fraternities and sororities to evaluate Greek social events.

Discussion is expected to continue on the IFC decision to award the Warren Bishop Trophy, given each year to the fraternity which does best, athletically, at the Spring Sing instead of at the traditional awards banquet.

AUSTIN—Gov. Allan Shivers of Texas, as his last official act, Tuesday appointed Dallas Attorney William A. Blakley, a "Loyal Democrat" though an Eisenhower partisan, to the U.S.

Senate succeeding Governor-Elect Price Daniel.

Senate Democratic Leader Lyndon Johnson (D-Tex.) announced from Washington Blakley will vote with the Democrats, thus continuing the 49-47 Democratic control of the Senate.

But Blakley, at Dallas, refused to say whether he will vote Democratic or Republican as interim Senator from Texas.

ARMY ORDER BLASTED

SAN FRANCISCO—An Army order requiring National Guardsmen to serve six months active duty would "seriously cripple" the California National Guard, according to Maj. Gen. Earle M. Jones, Adjutant General of the state force.

"Recruiting is difficult enough now," the general said. "When we have to tell young men they will have to spend six months on active duty, it's going to be even more difficult."

Camp Reaches Student Limit; 142 Register

The 142 student limit for this year's Spartacamp was reached today, according to Bud Fisher, publicity chairman. All campers and alternates' places have been taken. Those students who are registered for the camp and have paid the deposit of \$5 are reminded that the remainder of the \$10 cost is due by Feb. 15 in the Student Business Office, Room 16.

Faculty consultants for Spartacamp are Buford Bush, Dr. Janice Carkins, Dr. Robert B. Cragin, Louis T. Fischl, Frances Gulland, Dr. G. A. McCallum, Karl J. Mueller, Curly Neal, Leta Walter, Lyle Edmison, John Meryman, and Lola Erikson.

Student counselors are: Vivian Andres, Dick Arlington, Liz Bell, Clayton Bruntz, Nancy Burke, Tom Burns, Alicia Cardona, Bruce Carter, Joan Ereno, Bob Foy, Lavonne Gomes, Nan Goodart, Brent Helsing, Alice Kunz, Jim Lagy, Jerry McCarthy, Joan Oeser, Chuck Rigidon, Dick Robinson, Mickey Simonet, Sandy Singer, Nada Stepanovich, Al Stubbe, Bill Sturgeon, Sandy Trainer, Al Walburg, and Jan Warden.

Five instructional sessions will be held for the student counselors. The first will be tomorrow at the Sigma Kappa house.

Club Meeting Told

Occupational Therapy Club will meet tonight at 7 o'clock in Room 17.

Guest speaker will be Lilian Wegg, O.T.R., director of Occupational Therapy at the May T. Morrison Center for Rehabilitation. Topic for her talk will be vocational testing of orthopedic patients.

Campus additions of six and-a-half blocks of land and five new buildings comprise the \$9,309,800 capital outlay budget outlined for San Jose State College in Gov. Goodwin J. Knight's proposed 1957-58 state budget presented to the Legislature Monday.

Included in the budget are a \$2,595,300 Industrial Arts Building on the west side of Ninth street behind the present Engineering Building; \$1,816,000 Art Building behind the Music Building between Eighth and Ninth streets; \$971,300 Health Building in the present parking area at the northwest corner of Ninth and San Carlos streets; \$650,000 Student Activities Building on what is now San Antonio street near Ninth street; a \$409,300 Faculty Office Building between the Men's and Women's Gyms, near the Education Wing.

Two and-a-half million dollars of the capital outlay budget is for new campus land on the south, east and west sides of the present campus. Plans are to acquire the northern half of the block bounded by Third, Fourth, San Antonio and San Carlos streets; the five block area bounded by San Carlos, Fifth, San Salvador and 10th streets; and the block bounded by San Carlos, 10th, San Antonio and Ninth streets.

Non-Residents Should Check Tuition Status

Students who were classified as non-residents of the State of California, but who now believe they will be entitled to reclassification for the Spring Semester, may apply for classification as a bona-fide resident by submitting a new statement of residence. These forms are available in the Admissions Office.

Applications should be made only if the student believes he will have been a legal resident of California for one full year immediately preceding registration for the Spring Semester. The status of students who are in the United States on a student visa will not be changed.

The request for reclassification is the responsibility of the student and should be taken care of by Jan. 18. No reclassification will be made on registration days. Non-resident students will be required to pay tuition fees at that time.

Council To Meet

The Student Council will meet today at 2:35 p.m. in the Student Union. A regular business meeting is planned.

Weatherman: Rain Again

Return of scattered rains appears likely for today, as the weatherman, seeing how easy it was over the weekend, expects to repeat his drought breaking performance. Not much temperature change is expected, with today's high around 60.

'Y' Will Hold Membership Drive Tonight

The first general membership drive of the year will be held by the Student Y this evening at 7:30 o'clock at the Student Y, 209 S. 9th St.

Reports from persons who attended the Asilomar conference will be heard at the meeting. The Regional Council at Asilomar discussed questions such as, who should be a "Y" member and what should be the purpose of the local Student Y.

Plans for next semester's activities, including an open house, membership drive, commission groups, a campus survey of student interests and concerns, also will be presented and discussed at this evening's meeting.

Wesley Stroud, "Y" president, is hoping for a large turnout.

Students Get Teaching Jobs

Students who expect to enroll in Education 145 (Supervised Student Teaching) for the spring semester are required to attend a meeting tomorrow at 3:30 p.m. in Room 55, according to Dr. Gervais W. Ford, Secondary Education Department head.

At this meeting, Dr. Ford said, student teachers will be given their assignments in student teaching for the coming semester. Important announcements, he added, will be made regarding the student teaching assignment.

He said students who find it impossible to attend should contact him prior to the meeting.

Group 4 Shots To Be Given

Second polio vaccinations will be given tomorrow to Group 4, persons with receipts up to 1906, in the Health Office from 2 to 4 p.m.

Dr. Thomas J. Gray, health officer, disclosed that a limited registration will be held in the Student Affairs Office Jan. 21 and 22 to bring a second group of signups for the two vaccinations up to an even 1000. There are now 736 in this second group of 1000 persons.

Dinner-Dance Tickets Ready

Tickets to the February graduates' Dinner-Dance must be picked up in Room 16 by Wednesday, Jan. 23, according to Tom Bonnetti, Senior Class president.

The Dinner-Dance will be on Thursday evening, Jan. 31, at 7 o'clock, at Mariani's, 2490 El Camino Real. A chicken dinner is on the menu.

February grads who wish to purchase escort bids may do so by bringing their activity fee receipts to Room 16. The cost of the escort bid is \$3.25.

RED "RED TAPE" HEROES—Although the three comic leads in "Red Tape," the 1957 edition of Revelries, are Russian Communist spies they do such a humorous job that the audience finds itself hoping for the best for the "comic villains." The trio are, left to right, Bob Gordon, Don West and Jim Dunn. The trio stole the show on opening night with their tremendous performances. "Red Tape" reopens tomorrow night at 8:15 o'clock in Morris Dailey Auditorium, and will run Friday and Saturday nights. Tickets are on sale in the Student Affairs Office, or at the auditorium the night of the performance. General admission price is \$1, and 75 cents for students.

BUDGET INCREASES
The governor's operational support of the budget for San Jose State College totals \$6,852,220 or a 23.5 increase over the figure for the current fiscal year. This year's budget support included \$5,547,997.

San Jose State tops all state colleges with its six million-plus operational support program. Cal Poly follows with a proposed \$4,931,387.

Operation budget proposals for all state colleges total \$40,354,827 for the 1957-58 proposed budget. This is an increase of 18.4 percent over this year's \$34,075,473 allocated.

ENROLLMENT UP
Gov. Knight's operational support budget earmarked for SJS is based on a full-time equivalent enrollment of 9,900 for 1957-58. This year's FTE totaled 9,050 with total figures, both full and part-time students, climbing near 11,000.

In comparison with last year's cost of \$613, the average cost of educating a student at San Jose State next year will jump to \$692. Long Beach State College at \$619 per student and Fresno State College division of agriculture at \$2020 are the low and high figures for state college's in the governor's 1957-58 estimates.

Grad Fee Due

Seniors who plan to graduate in June should pay their activity fees as soon as possible, according to Dr. Rocco G. Pisano, Senior Class adviser.

Dr. Pisano believes that the Senior Class will be better able to plan the activities for the June graduates if the Class knows how many seniors will participate in the functions.

Military Duty Darkens Graduation

The end of each semester accompanied by graduation ceremonies is a time of year when young men's fancies turn to thoughts of employment. But there is one hitch, that being a hitch in Uncle Sam's militia. It is not very pleasant going through four years of college with the draft hanging over your head. Of course it always lends an air of expectancy to the whole proceedings, but it still isn't very pleasant. Naturally there are a few college grads who will look forward to their army service, and some may even be planning to make a career of it. But from all observations, these grads are a definite minority. If you know anyone who has been in the service recently or is in now, then you probably have heard stories about how it can be a rather useless way of life.

After serving two years active duty now, a soldier is paroled to his reserve board where he must serve another four years as an active reservist, reporting to meetings every week and spending annual vacations at an army summer camp.

Actually the weekly reserve meeting and the annual summer camp idea isn't bad, it's the two years active duty that hurts. A few years ago most of us used to cringe at the idea of universal military training in the hope that the draft would end soon. UMT would have required six months active duty and a few years in the active reserves.

The Korean conflict and the stepped up cold war made it necessary to have a strong, standing army only a few short years ago. There is still a need for a standing army — the cold war is still with us, only it's not so "hot" — but it is doubtful whether it should remain as strong. Modern means of warfare have made strong, standing armies less important, despite how the Pentagon may argue.

Since every able-bodied young man must continue to serve his country in the armed forces, it seems to us that the best way to fulfill this obligation would be to serve six months active duty, and the next five-and-a-half years in the active reserves.

We believe that this system should be applied to college grads in particular. The high caliber of instruction and training they have received would be better put to use if they were allowed to follow their chosen pursuits. Two years is a long time.

Out of Every Four Males in College, One Receives Aid From Uncle Sam

Nearly one out of every four males enrolled in colleges and universities is attending under the Korean GI Bill, according to John W. Davis, Santa Clara County Veterans Service Officer. Of the total male enrollment of 1,916,000—473,000 are veterans. This enrollment is a new high for attendance under the Korean Bill, topping the record set in the spring of 1956 by eight percent.

Of the enrollment of over 5000 male students at San Jose State, 2200 are Korean veterans. This figure is well above the national average. It is understandable that more veterans attend state-supported schools because of lower tuition fees.

Korean Veterans pay all tuition, books and miscellaneous fees in addition to room and board from their monthly subsistence checks.

Total training under the bill, which includes below-college training, on-the-job training, and on-the-farm training, is 760,000.

Following World War II, over one million veterans were enrolled in colleges and universities making the ratio three out of four students veterans.

Registrar Will Mail Grades

Students may have their grades mailed them by self addressing the envelopes outside the Registrar's Office, Room 116, AND USING THEIR OWN STAMPS. James Spence, assistant registrar, said today.

"We are already getting envelopes without stamps," Spence stated. He explained there is a state law prohibiting the office from putting stamps on the envelopes.

Michigan Man Receives Wallet Lost Decade Ago

PONTIAC, Mich.—(UP)—Steve Couretas, 27, lost his wallet in a Cheyenne, Wyo., hotel 10 years ago.

Couretas received the wallet in the mail Dec. 5. The hotel said the wallet was discovered when its Lost and Found Department was cleaned out.

Spartacamp Will Deal With Specific Problems Of Campus Character; Discussions Dominate

By PATI BARATINI

The fourth annual Spartacamp, San Jose State's leadership training program, will be held this year on March 9 and 10. This camp was organized here at State in 1952 by a student who felt the need for training of this kind.

In the spring of 1953 student and administration leaders planned the first Spartacamp to be held in the fall of that year. Since at that time we were the only school in California having such a program, State didn't receive much help in developing the

program. Now there are several California schools who have organized their own camps, and many of these have followed the pattern and ideas of San Jose's Spartacamp.

The first camp dealt with general problems of campus origin. The second camp added the idea of workshops and using students as discussion leaders. Last year the camp advanced another step toward being one of the most successful camps of its kind.

The 1957 Spartacamp is dealing with specific problems of

campus character. Concrete examples are being developed in the discussion material and topics are going to be discussed that will be both useful to the present leaders and those to come. Attending the camp will give not only a better understanding of successful leadership training techniques, but also a chance to associate with one another in an atmosphere conducive to constructive thought on these subjects.

You may or may not come away with a real interest in campus problems and methods to solve them, but it is sure that you will have entered into many discussions that will help you.

The committee, composed of eight students and five faculty and administration members, has developed four primary discussion topics: the qualities and traits of a good leader; what are the necessary steps in planning campus activities; how to go about delegating jobs to sub-committee men, and the means and methods of handling coordination and communication.

These group discussions will be headed by a counselor and 12 campers. Instead of straight lecture most of the meetings will consist of buzz sessions and general group discussions.

Spartacamp is open to all students. The full cost of the two day camp is \$10, which includes room, board, and transportation to and from Asilomar, the camp site. Upon registration at the Spartacamp booth in the Outer Quad you need only pay a \$5 deposit. Registration will continue until Friday or until all 142 available places are filled.

Information about cheating in an examination or other work at SJS should be reported to the instructor or a personnel dean. The Fairness Committee can be consulted also.

LITTLE MAN ON CAMPUS

by Dick Bibler

"YES I'M GOING TO PASS YOU BECAUSE I'M TIRED OF HAVING TO MAKE UP NEW TESTS FOR THIS COURSE EVERY YEAR!"

"What really sold me," says Jerry, "was the way they conducted engineering. I'd expected rooms full of engineers at desks. Instead, I found all the informal friendliness of my college lab."

Gerald, an E.E., came directly to IBM from the University of Buffalo, in 1953. Starting as a Technical Engineer, he was immediately assigned to work, with two others, on designing a small calculator. The supervisor of this project was Dr. R. K. Richards, author of "Arithmetic Operation in Digital Computers." Jerry learned a great deal about computers in a very short time. Incidentally, his particular machine is now going into production.

Assigns problems to his group. As Jerry says, "It makes an engineer feel good to see his project reach the production stage—and to be able to follow it through."

Promoted to Associate Engineer after 16 months, Jerry is now the leader of a nine-man team. He assigns problems to his group for solution, approves their block diagrams and the models they build. Perhaps an hour a day goes into paper work such as requisitioning equipment for his group and reviewing technical publications, in counseling members of his team and preparing for trips to technical society meetings. Apart from his regular responsibilities, he teaches at night in the IBM school.

Why Jerry chose IBM. Of course, there were other reasons why Jerry selected IBM. He was vitally interested in computers, and IBM was obviously a leader in the field. He comes from a scientific family

"What's it like to be A PRODUCT DEVELOPMENT ENGINEER AT IBM?"

Three years ago, college senior Gerald Maley asked himself this question. Today, an Associate Engineer and leader of a nine-man team, Jerry reviews his experience at IBM and gives some pointers that may be helpful to you in taking the first, most important step in your engineering career.

(his brother is a mathematician) and is fascinated by these mathematical marvels which are revolutionizing man's ways of doing things in so many fields. He enjoys working on large equipment... and on "pulses." "It's more logical," he says. "In computer

This field is so new

work, you can actually see things happening, which is not the case with all electronic equipment today. And it's not all solid math, either. What's more, this field is so new, that pretty soon you're up with everybody else."

Gerald has done recruiting work himself for IBM and believes he understands some of the college senior's problems. "I usually begin an interview by determining a man's inter-

Reviewing technical publications

est," he reports. "Then the diversity of work at IBM enables me to offer him a job which will challenge that interest." Gerald distinguishes between two kinds of engineers—those who like to work on components, such as circuit designs, and those who are interested in the part the component

plays. The latter is his own interest, which is why he is in advanced machine design. He points out that IBM is careful to take these factors into consideration—another reason, perhaps, why turnover at IBM is less than one-sixth the national average.

What about promotions?

When asked about advancement opportunities at IBM, Jerry says, "You can hardly miss in this field and in this company. They tell me sales about double every five years—which in itself makes promotion almost axiomatic." He endorses the IBM policy of promoting from within, with merit the sole criterion. The salary factor, he remembers, was not his first consideration. While excellent, the tremendous advancement potential was of far greater importance.

Promotion almost axiomatic

IBM hopes this message will give you some idea of what it's like to be an E.E. in Product Development at IBM. There are equal opportunities for E.E.'s, M.E.'s, physicists, mathematicians, and liberal arts majors in IBM's many divisions—Research, Manufacturing Engineering, Sales and Technical Service. Why not drop in and discuss IBM with your Placement Director? He can supply our brochure and tell you when IBM will interview on your campus. Meanwhile, our Manager of Engineering Recruitment, R. A. Whitehorn, will be happy to answer your questions. Just write him at IBM, Dept. #8801, 690 Madison Ave., New York 22, N. Y.

Kaucher Oral Reading Award Winner Has Extensive Dramatic Work History

By BARBARA HARTMAN

Sylvia Cirone, drama major who won the Dr. Kaucher Oral Reading Award, has been in dramatics of various sorts since she was a little girl, beginning with a part in the Recreation Department's production of "Snow White" when she was about 10. Her first part in Junior Theater was in "Early to Bed, Early to Rise" when she was 11, and she was active with this group through her high school years. She took drama lessons from the

in King Arthur's Court," as well as a high school production. She had the lead in her senior play, but her father never got to see it—he collapsed from overwork before it began and missed all the performances.

Sylvia did readings, monologues and skits for various groups while in school, wrote an aquacade script and was president of "The Spans," chapter of the international drama group.

She has played in "Hansel and Gretel" three times, each in a different part, from grammar school to college. She also appears before children's groups as the "Blue Fairy," entertaining them with stories.

Sylvia's goal is a general secondary credential and an M.A. degree in Children's Theater, in which she is very active at present. She is secretary of the Children's Theater Association at SJS, a new organization this year—but that's another story.

SYLVIA CIRONE Wins Award

WHO WENT TO THE PROM ... AND WHY

"Hello," said the voice on the telephone. "This is Werther Sigafoos."

"Who?" said Anna Livia Plurabelle.

"Werther Sigafoos," said Werther Sigafoos. "I sit next to you in psych. I'm kind of dumpy and I always wear a sweatshirt."

"I'm afraid I don't remember you," said Anna Livia.

"I'm the one whose lecture notes you've been borrowing for two years," said Werther.

"Oh, yes!" she said. "What do you wish, Walter?"

"Werther," said Werther. "What I wish is to take you to the Junior Prom next April."

"That's months away, Westnor," said Anna Livia.

"Werther," said Werther. "Yes, I know, but you are so round and beautiful that I was afraid you might have a date already."

"As a matter of fact I do, Wingate," said Anna Livia.

"Werther," said Werther. "Oh, drat!"

"I'm kind of dumpy and I always wear a sweatshirt"

Anna Livia did not really have a date, but she was expecting to be asked by Stewart Stalwart, athlete and BMOC, handsome as Apollo, smooth as ivory, driver of a 2.9 litre Bugatti, wearer of faultless tweeds, smoker of Philip Morris Cigarettes, which, even without his other achievements, would by itself stamp him as a man of discrimination, as the possessor of a pleasure-oriented palate, as one who smoked for the pure joy of it, who had sought and found a cigarette brimming over with zest and zip and hearty good fellowship—Philip Morris!

Well sir, Anna Livia waited for Stewart to ask her, but two days before the Prom, to everybody's amazement, he asked Rose-of-Sharon Kinsolving, a nondescript girl with pavement-colored hair and a briefcase.

Anna Livia sobbed for a spell and then, not wishing to miss the most gala event of the junior year, she phoned Werther Sigafoos.

"My Prom date has come down with a dread virus," she said, "and I'll accept your invitation, Waldrop."

"Werther," said Werther. "Oh, goody ganders!"

The next day Anna Livia received a phone call from Stewart Stalwart. "My Prom date has come down with a dread virus," he said. "Will you go with me?"

"Certainly," she said and immediately phoned Werther and said, "I have come down with a dread virus and cannot go to the Prom with you. Whipsitch."

"Werther," said Werther. "Oh, mice and rats!"

So Anna Livia went to the Prom with Stewart and who do you think they ran into? Rose-of-Sharon with Werther, that's who!

Stewart had felt obliged to ask Rose-of-Sharon because she always did his homework, but she had weaseled out because she really wanted to go with Werther with whom she felt a great oneness because they were both so dumpy. He fell wildly in love with her at the Prom, and today they are married and run a very successful five-minute auto-wash in New Bern, N. C.

Anna Livia and Stewart are happy too. They are still juniors and have not missed a Prom in six years.

Fresno Trips SJS In Overtime

Preps Beat Freshman Five, 50-40

Ulrey, Ressa Star For Locals in Loss To Santa Clara High

Buzzy Ulrey and Gary Ressa tried in vain to lead their Spartans club to its first win in five starts last night, but the frosh went down to a strong Santa Clara High cage team, 50-40 at Spartan Gym.

The freshmen jumped off to a 3-0 lead on Ressa's first three of seven consecutive free throws, but the Panthers came right back with a pair of field goals to move in front 4-3. The preps never trailed thereafter.

After Jim Gallizioli lengthened Santa Clara's lead, Center Norm Steinbach hit a 20-foot set to close the margin to one point.

From that point on in the half, only Ulrey and Ressa tallied for the 'Babes.

It was a see-saw contest and something of a personal battle between Gallizioli and Ulrey. First the 5-11 prep would hit a set or jump, only to find Ulrey countering with a drive or hook of his own.

Occasionally Ressa would hit a shot. Otherwise the frosh were blanked and trailed 25-19 at the intermission.

In the second half things changed, but for the worse. The two teams managed to score only five fielders and the final 18 points were scored from the foul line.

San Jose Coach Jerry Vroom, who substituted not at all in the first half, used three in the second. The trio did little to change the outcome, contributing only seven points to the frosh cause.

Bob Lister, Panther nose-such center, was held to a puny 11 points by 'Babe postman Steinbach. In the first half Lister connected on three floor shots, but was limited to free throws in the second stanza. He was off from the line—unusual for the SCVAL's leading scorer—and hit only five of eight attempts.

The Panthers' Gallizioli was the surprise of the night as he tanked 11. This is about nine points over his season's average.

Ulrey and Panther forward Larry Guilford tied for game-scoring honors with 16 points each. Ulrey's points came on five field goals and six of eight charity tosses.

WEST SCORES—Quarterback Ed Brown bursts into the end zone for the West's only touchdown in the first quarter of the annual Pro Bowl contest in Los Angeles. The West beat the East, 19-10, with Bert Reichle booting field goals of 40, 44, 44 and 52 yards.

SPARTAN DAILY Page 3

First Dual Meet

Ringmen Tackle Air Force Stars

San Jose State boxers will be taking on an aggregation of all-star Air Force ringmen from major air bases in California when they open their season with the first dual meet of the year in Spartan Gym Friday night, starting at 8 o'clock.

The meet had originally been scheduled between SJS and pugilists from Travis, Parks and Fairfield Air Bases. Coach Julie Menendez learned yesterday he would be up against men, not only from the original trio of bases, but also from March and McClelland Fields and several others.

"They could be real good," Menendez said. "We never know what to expect when we go up against a service team." "If they are good, then I'll be able to get a good line on some of my boys and that is primarily why we scheduled the meet."

The Spartans will not be at top strength. Nick Akana, highly rated former National AAU runner-up will definitely not box. He is not eligible to compete until next semester.

Al Julian, the most impressive member of the Spartan ring team thus far, reported that doctors may not let him box Friday.

He said that he has an infection over his right eye and that doctors told him he would not be able to box unless the swelling went down.

Menendez had planned to use both Julian and Welvin Stroud in 139 lb. matches against the Air Force. Stu Rubine, who lost a split decision to Julian in the All-College, will go in the 147 lb. bracket.

San Jose also will double up in the 165 lb. slot, sending Jack Duignan and Jack Coolidge into action.

Big heavyweight Al Severino will have a 71 lb. weight advantage over his Air Force foe. Severino was officially weighed in at 264 lbs., making him probably the biggest college boxer in the country.

Dodger Catcher Laughs at Cuts

Campy: 'I Could Play Forever'

NEW YORK —(UP)—Happy-go-lucky Roy Campanella laughed off two cuts today "because the one on the hand hurt the most and it's all healed now."

The "one on the hand" was an operation necessary to remove bone chips. The other was a \$5000 salary slash which means he'll receive "only" \$37,000 to catch for the Brooklyn Dodgers next season.

"I just feel so good today," gurgled the roly-poly receiver in his high-pitched voice, "that I feel like I could play forever."

Campy admitted that he figured the Dodgers would win the pennant again next season despite the loss of Jackie Robinson.

"Sure, he'll be missed," said the chubby catcher. "But they missed me last year and they won."

Roy, three-time most valuable player in the National League, was referring to a season in which

he hit only 219 and because of his crippled hands was not highly effective in any way.

"We missed Johnny Podres last season, too," said Campanella of the 1955 World Series. "But this is not a one-man ball club. Remember, the Yankees kept on winning after they lost the likes of Babe Ruth, Lou Gehrig and Joe Dimaggio. And Brooklyn will keep right on winning after I'm gone."

Campanella underwent surgery on his right hand after the Dodgers' post-season tour of Japan.

"Last season it hurt so bad I couldn't hardly grip the bat," he recalled. "But I've been swinging a bat in the basement and there isn't any pain at all."

"Of course," he quipped "I always say it feels good when there's nobody pitching to me. But, honestly, the hands feel

great and I'm highly optimistic."

Campy has precedent on his side as he looks forward happily to the prospect of a fine season.

In 1950 he batted only .281. The next season he won M.V.P. honors. In 1952 he dropped to .269 and bounced back the next season to again take most valuable honors. Then it was down again in 1954, when he batted only .207, so he came back to take the M.V.P. prize again in 1955.

Campanella doesn't agree with his teammate, Sam Maglie, that pitchers who adopt the "no-windup" pitching technique which Yankee Don Larsen used to pitch his perfect World Series game may be risking their arms.

"The way I look at it," Campy analyzed, "you play to win and if you can pitch standing on your head, then that's the way

Raiders Lose, 79-75; Drop to Fourth Spot

If ever any one player dominated a San Jose State basketball game, Fresno State's Gary Alcorn did it last night as he led the Bulldogs to a 79-75 overtime California Basketball Assn. victory in Spartan Gym.

The loss dropped the Spartans to fourth in CBA standings while Fresno was registering its initial win of the loop campaign and its first in history over any league opponent other than Pepperdine.

The 6-foot, 8-inch center did even more than his press notices gave him credit for as he scored the Bulldogs first six points in the overtime period to wipe out what had been a spirited SJS comeback in the last seconds of the regulation game.

During the evening's festivities, Alcorn hit 11 of 25 shots, gathered in 15 rebounds and blocked 11 SJS shots, five of which would have gone for sure baskets.

Even though he gave away a half-foot in height, San Jose's Art Powell took 23 rebounds off the boards and connected on nine of 19 field goal attempts in addition to two free throws to wind up with 20 points. What the statistics cannot show is the job he did in handling the ball and making the "clutch play."

Ed Diaz, after getting off to a miserable start, settled down to take high point honors for the Spartans, hitting nine of 27 attempts, along with three for four from the gift line, for 21 points.

The Bulldogs looked as if they were home free when Alcorn and Dick Hendricks combined talents to open up a 60-51 lead over SJS with seven minutes remaining in the game.

Center Marv Branstrom, who tossed in 17 points for his night's work, Diaz and Powell started a rally that did not take full effect until Don Ried stole the ball from Rolland Todd and tied the score at 66-66 with a layin.

Hendricks put the Bulldogs ahead with a layup only to have Powell insert a hook shot to tie the two clubs at 68-68 as the buzzer ended the regulation game.

In the overtime, Alcorn put in two hook shots and a pair of free throws to ice the game. San Jose pulled to within three points with 45 seconds remaining, but the Bulldogs gained control of the ball and scored again at the final buzzer.

First half play set the stage for the final act. Both clubs employed the race horse style of ball and the score was tied 12 times and changed hands four more times during the first 20 minutes of action. Alcorn popped in a hook shot with one second left to give FSC a 39-37 halftime advantage.

Banquets Highlight Fraternity Activities

ALPHA TAU OMEGA

The brothers are planning their "Roaring 20's" dance Saturday. The annual affair will be held at the Horsemen's Association building.

The fraternity is planning its next Mothers' Club dinner for sometime in February.

Claire Wellenkamp was chosen to represent the members in the Soph Doll contest.

DELTA SIGMA PHI

Delta Sig members and their dates attended a party at the home of Paul Girard preceding the IFC dance Saturday night.

DELTA Upsilon

Newly elected DU officers are Dick Pike, president; Gary Walker, vice president; Jim Cassidy and Rich Britton, recording and corresponding secretaries; Lorr Vaught, sergeant-at-arms; Ron Harder, IFC representative; Chuck Miller, quarterly editor and Alex Stepovich, graduate correspondent.

Several members of the fraternity attended a party at John Wagner's home before the IFC dance Saturday night.

KAPPA ALPHA

The brothers of Kappa Alpha are preparing for the Annual Lee Banquet to be presented by the San Francisco Alumni Chapter Friday night in San Francisco. The banquet will honor General Robert E. Lee's 150th birthday. General Lee was the spiritual founder of Kappa Alpha.

The San Jose Alumni Chapter will have a Lee banquet the following weekend. Graduating seniors will be honored at the affair.

Toby Walker has been appointed the new social chairman.

KAPPA TAU

John Grubb, Phi Delta Theta province president, will be a guest, along with J. Hugh Jackson, KT adviser, for dinner, tonight. Following dinner, Grubb will speak to members concerning Phi Delta Theta.

The fall pledge class will hold its traditional pledge party Friday. Pledges have planned a scavenger hunt, with prizes to be awarded to the winning couples. Following the hunt, dancing will be held and refreshments will be provided. The KT house will be converted to "Little Bohemia" for the evening and all couples will dress accordingly.

Members welcomed back Art Penner, who recently returned from viewing the Olympic Games in Australia. Penner will return to college next semester.

LAMBDA CHI ALPHA

Lambda Chi Alpha brothers will gather en masse in the Outer Quad Feb. 11 to give their Soph Doll candidate, Adele Heilberg, a vote of confidence. Miss Heilberg will be honored guest at a buffet dinner to be held at the house before the Revelries performance tomorrow night.

Members were guests at the home of Andy Cobb for a party held before the IFC dance Saturday night. Plans for a dinner dance to be held at Pebble Beach with the UC, Reno and Fresno chapters are being made. Tennis, swimming, golf and numerous parties are scheduled also.

National traveling secretary Lowell C. Gifford will visit the house Feb. 17-19.

Preliminary plans already are

being made for the May 17 Push Cart Relays. Functions will begin in April and the Crescent Formal has been scheduled for May 10. Lewis Johnson is director of the Relays.

SIGMA NU

Final house elections were held recently with Bob Heron winning the post of president. Other officers elected were Dick Strader, vice president; Dave Wessel, secretary; Nick Sanger, marshal, pledge captain and sentinel; Jack Fugit, historian; Dave Englecke, treasurer; Chuck Shultz, chaplain and Ray Bowlin, reporter.

Following Monday night's meeting and the announcement of their pinning, Nick Sanger and Patti Proctor were serenaded.

No social affairs have been scheduled for the remainder of the semester as the members are preparing for finals.

THETA XI

Dinner was served at the Sea Wolf Restaurant in Oakland Saturday preceding the IFC formal to members of Theta Xi and their dates.

At the dance the brothers learned of the engagement of past president Grattan Perry to Beverly Hatch, and the pinning of Ben Yates, spring semester president, to Joanna Holby.

Pledges travelled to Monterey and Carmel Friday afternoon to search for items for their scavenger hunt.

SIGMA CHI

Appointive house officers for the coming semester were announced this week by president Jerry Bartlett. They are Art Bergendorf, house manager; Bud Fisher, social chairman; Dal Seales, flowers and telegrams; Erank Davidson, song leader; Larry Bofenkamp, alumni relations; Bill Ooley, Mothers' Club representative; Leigh Weimers, public relations and Bartlett, Sweetheart formal.

The Sig car wash, scheduled for last Saturday, was washed out, but another one has been planned for the near future.
